

PICK OF THE DAY

Criminal Justice

9pm, BBC1

Following the success of last year’s drama comes this offering from acclaimed writer Peter Moffat. It charts the story of Juliet Miller, a woman with a seemingly perfect life. She has a teenage daughter she adores, a beautiful home and a husband, Joe, who is a successful barrister. But Juliet is a troubled soul who, one night, stabs Joe in the chest. Suddenly, she’s under close scrutiny as the authorities attempt to determine whether Juliet has been driven to commit the act following years of abuse, or if she is simply a cold-hearted killer. Maxine Peake stars.
